# Sidewalk Sign

- Sign blanks quickly slide in and out and stay securely in place.
- 24" x 36" sign blanks can be changed in seconds. Use coroplast, aluminum, acrylic or any foamboard.
- Outrigger feet slide into place and "click-lock" into position with no tools required.
- Outrigger feet can be filled with sand or water. Free funnel with every order to facilitate loading.
- Molded-in tie down hole allows wiring for security precautions.
- Message Boards & Marker Boards available in black or white. Other options available—see back page.
- Small footprint and classic design provide an aesthetic plus for any situation.

Plasticade's Quick-Change Feature:

Slides in easily, and...

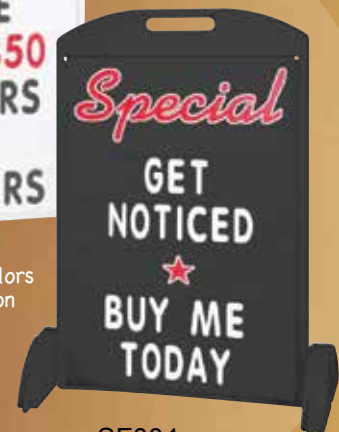

...stays securely in place!
